

handle such disputes. Within thirty (30) days of the submittal, such executive officers may, upon mutual agreement, meet to resolve the dispute and to hear any arguments that a party wishes to make in connection therewith. If the executive officers reach an agreement of the disposition of the dispute, they shall promptly issue their joint written decision resolving the dispute. Any dispute so dealt with shall be conclusively and finally decided and shall not be the subject of any litigation. Should the executive officers be unable to promptly resolve a dispute, either party may commence litigation in a court of competent jurisdiction and venue.

Article VIII – Publicity

- a) No publicity releases (including news releases and advertising) relating to this Agreement and the services hereunder shall be issued by Buyer without prior written approval of Seller.
- b) Any technical paper, article, publication, or announcement of advances generated in connection with the services under this Agreement, during the period of performance of the Agreement shall require Seller's prior written approval.

Article IX – Notices

All notices, requests, demands, and other communications permitted or required under this Agreement shall be in writing and shall be sent via (i) facsimile and will be deemed to be received upon receipt of a facsimile confirmation page or (ii) via nationally recognized courier service (e.g., Federal Express or UPS) and will be deemed to be received upon the earlier of the date of delivery by said courier service or the date upon which deliver by said courier service is refused by the recipient:

(703) 887-2109 cell
Fax: (703) 548-4399

Article X – Termination

This Agreement may be terminated at any time before the Closing Date only as follows:

- a) by mutual written consent of Seller and Buyer;
- b) by either Seller or Buyer, upon written notice to the other Party, in accordance with the terms of Article II (e); and
- c) by either Seller or Buyer, upon written notice to the other Party, of an uncured material breach by the other Party of an obligation or a representation or warranty of such other Party under this Agreement, provided that the non-breaching Party shall have promptly given the breaching Party written notice of same and the breaching Party shall not have cured same within 30 days of receipt of said notice; provided, further, that the non-breaching Party is not itself in material breach of its representations, warranties, covenants or agreements contained herein.
- d) In the event of termination, Seller will refund Buyer the Purchase Price entirely, unless termination is due to Buyer's material breach of this Agreement, in which case Buyer will refund half the Purchase Price (\$62,500.00) and retain the rest as its liquidated damages.

Article XI – Entire Agreement

This Agreement, and the exhibits hereto, constitute the entire agreement between Buyer and Seller. It supersedes all prior contemporaneous communication, representations or agreements whether oral or written with respect to the subject matter thereof and has been induced by no representations, statements, or agreements other than those herein expressed. No agreement herein made between the parties shall be binding on either party unless reduced to writing and signed by an authorized officer of the party sought to be bound.
